## ***PRESIDENT MESSAGE***

It's a proud feeling while releasing the Third Magazine of DKPIOP, I am happy to see that the editorial committee of institute is going well in constructing this wonderful piece of information. The institute is trying hard to excel in the field of pharmacy.

The true recognition of any institute depends on the quality of education and overall development of student's personality. In the true spirit it really offers a great inspiration to students who have great urge to express their views. I extend my heartily congratulations to The Principal, Co-ordinator, Students, Faculties and Editorial Board on their outstanding achievements. I wish all the best to our team and students.

**Hon. D. A. Kshirsagar**

## ***SECRETARY'S MESSAGE***

My heart fulfils with great joys and happiness on seeing that DKPIOP releases its Third Magazine. Magazine is a platform for our student to show their creative ideas, dreams, and aspirations for writing.

The trust provides rich and peaceful environment which encourages students to participate in the different programmes conducted by the institute. I appeal the young generation to utilize these resources for their welfare. This magazine is just that step to make them move forward to their dreams.

**Shri. A. A. Kshirsagar**

## ***PRINCIPAL'S MESSAGE***

It gives me immense pleasure and a feeling of accomplishment. It gives us a great pleasure to present you our Third Magazine. We are committed to provide the quality and skill-based education to our students. The name and fame of an institute depends on the calibre and achievement of the students or teachers. The role of the teacher is to nurture the skills and talents of the students as a facilitator. This magazine is going to showcase the strength of our institute. Congratulations to the editorial team who shaped this magazine and to all those who are instrumental in bringing out this commendable piece of work. Suggestions are always welcome. It with best regards.

**Dr. A. D. Kshirsagar**

## ABOUT INSTITUTE

An institution which was started early as a Diploma Course of pharmacy program by Hon. Shri Digambrrao Kshirsagar sir, a great Academician, and Philanthropist has gradually risen to B. Pharmacy and M. Pharmacy institute in 2019-20 Academic year. Creating a unique identity to be only institute in india starting Degree (B. Pharmacy) and post-graduate (M. Pharmacy) course of Pharmacy program. Although being located at rural and educationally backwards area, where student starving for quality education and State of Art World Class Facilities this may seems only possible in dreams of parent. This was need identified by President of Swami Vivekanand Gramin Shikshan Prasarak Mandal Hon. D. A. Kshirsagar and started new endeavor as D K Patil Institute of Pharmacy. It has been adorned “EXCELLENT GRADE” by **Maharashtra State Board of Technical Education, Mumbai** an affiliating Board for Diploma course in Academic year 2019-20. It has been also been recognized as “Most Emerging Higher Education Institute of the Year” Internationally by Asian Education Awards in 2021.

The college today is an educational edifice of excellence with its enthusiastic Principal Dr. A.D. Kshirsagar who was awarded with “Best Principal of the Year” by Asian Education Awards in 2021. Our college is overwhelmed with most talented and experience staff along with all necessary infrastructure. The teachers always guide students for giving their best in academics, sports and also in extra-curricular activities. It is matter of pride that many of our students are doing job in most reputed organization in Maharashtra and across India. The IQAC cell along with Training & Placement committee work together, to provide industrial exposure to the students by arranging different sessions from experts of Academics and Industry along with developing Memorandum of Understanding with different stake holders in society. This all team work ultimately reflects in result of our students. Our college is delighted in having 4 students qualified in National Level Examination GPAT in year 2023-24 First batch of Graduation. Our students also got more than 5 awards in National and State Level Competition. The teaching faculties have credited more than 15 research papers in well-known National International Journals of Pharmacy Domain. Also, two patents and four books have been published by end of this academic year. The 50% of students are placed through on campus and off campus interview by placement cell.

At last this institution try our level best to inculcate in every entity the true spirit of social awareness. Also, we provide opportunities to develop mental, physical, spiritual and social health dimension of student.
